

First, let me first **thank you** for supporting me in our golf marathon in the past. There are so many opportunities to which to give *every year and every week*. I do want to express my gratitude.

I believe you know about YBL, but let me explain it further. Young Business Leaders plays a vital role in reaching men with the Gospel and helping them grow in their faith. YBL is an arena in which young and old can find solid, substantive help in fighting spiritual and professional mediocrity and in influencing their community in a positive way. We are providing boundaries and road blocks to protect us from further moral decline. It is a tried and proven organization, with a 28-year productive work record. Our major fund raising event of the year is our all day golf marathon.

I am again asking you to support me in our marathon to be held **Wednesday, May 13th, at FarmLinks Golf Club**. One great reason is that we are expanding. We have set an aggressive agenda to be in 4 more cities in the next 5 years. This is going to take time, effort and more personnel. The marathon helps us continue this aggressive expansion.

Each year our marathon raises the most money of any of our events to carry on the ministry. **We are hoping to raise \$50,000 toward the expansion of this ministry.** That is why I am asking you to give and give generously to the ministry of YBL. Any gift will be appreciated. It is with a deep responsibility that I accept these gifts and try to place them where the need is greatest.

Thank you for all you have done in the past. We are reaching men who can change families, neighborhoods, churches, corporations and the world. We are excited about where God is taking us and we are looking forward to this marathon being a giant step toward the plans we believe God has laid on our hearts.
