

*Sample Thank You Letter*

February 27, 2009

Dear :

Of all the events we do each year, our Golf Marathon raises the most money. It has become vital to the support of Young Business Leaders. The intention for the Golf Marathon money is to help toward expansion and supplement any shortfall. With this money, we have launched ministries in Huntsville, Decatur, and Jackson, Mississippi and Cincinnati, Ohio. We have a number of potential cities we are presently looking to launch.

I want to express my gratitude for your support for Young Business Leaders. Your gift will be used to further this ministry. Thank you so much for your participation.

Sincerely,

-----
